Play It Safe
4th grade - Field Trip Station

Overview
Through a fun activity, students learn about being safe in the desert. Knowing what to wear, what to bring and what to do if they see snakes, spiders, bees and other animals, students gain an understanding of their unique ecosystem.

NM Science Standards Addressed
2-2-1-2 Know that humans and other living things have senses to help them detect stimuli, and that sensations (e.g., hunger) and stimuli (e.g., changes in the environment) influence the behavior of organisms.

CCSS Language Arts Standards Addressed
SL.4.1.B Follow agreed-upon rules for discussions and carry out assigned roles.
SL.4.1.C Pose and respond to specific questions to clarify or follow up on information, and make comments that contribute to the discussion and link to the remarks of others.
